

## Summer Reading Camp

As the end of summer approaches, many children will be going back to school with their reading skills sharpened. Urban Discovery Ministries at Park Place and Huntersville, Mt. Zion Baptist and New Dimensions Church are a few of the locations running Summer Reading Camps. Students were tutored using Project Light's *The Light Is Coming* series and *Zero To Five* software programs.

These camps combine Bible lessons, journal writing, Scripture scrabble games, and crafts along with the Project Light computer lessons. All of these activities combine to keep the kids excited about learning.

At one Summer Camp, over half of the students went up a whole grade level in their reading skills. There were even awards given to two students for Best Attitude.

The winning formula at all of these camps is to combine reading lessons with the Bible. Camps run two to four days a week for up to six weeks through the summer. Excitement and summer energy abound as the children take turns at computer learning stations where they get one-to-one tutoring and encouragement.

During one Summer Reading Camp 11 of the 23 children were saved! Seven of these kids were saved during the Project Light tutoring session.

One Summer Reading Camp Director said, "One to One is still the key." This continues to be the connection to the hearts of these children as they are taught to read with a caring tutor.

Thirteen year old Terance was asked by the Camp Director if he knew for sure he would go to heaven. Although Terance had attended church, he responded with a list of good things he had done. Terance's reading tutor explained that his works were as filthy rags to God and he must be born again to enter heaven. Terance excitedly accepted Jesus as his Lord! As soon as the reading lesson was over, Terance jumped up and ran to his friend saying, "Tramaine, Do you know for sure if you can get into heaven?". Through the blessing of these Summer Reading Camps a young evangelist is born!
